

# Community and Economic Development

**Robert Franco, Acting Director**  
robert.franco@phoenix.gov

## Program Goal

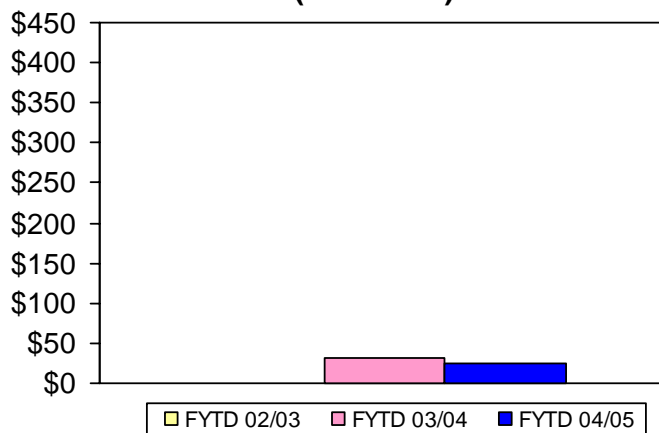

The Community & Economic Development Department (CED) seeks to stimulate economic activity by offering a diverse range of value-added business programs to build, revitalize, and sustain a quality community for Phoenix businesses and residents.

CED accomplishes this through its Business Development and Small Business divisions. They implement these programs to attract, sustain, and develop businesses, create jobs, and revitalize Phoenix's economy.
